

2004年

9. その他の GSC 関連行事 (2004 年)

- 1) Ionic Liquid Workshop (3月) Univ. of Alabama, AL
- 2) 227th ACS National Meeting (3 - 4月) Anaheim, CA
グリーンケミストリーのセッション ;
 - Initiatives in Green Chemistry Education
 - Inspired by Nature
 - Feedstocks for the Future
 - Materials Synthesis and Processing in Supercritical Fluids
 - Recent Advances in Green Chemistry and Engineering
 - Polymerization and Polymer Processing in Supercritical Fluids
 - Ionic Liquids in Polymer Systems
- 3) Ionic Liquids: A Road-map to Commercialisation (4月) London, UK
- 4) AIChE 2004 Spring National Meeting (4月) New Orleans, LA
Topical conference グリーンケミカルエンジニアリング ;
 - Critical Issues of Green Chemical Engineering
 - Green Processing
 - Application of Green Chemistry and Engineering in Manufacturing and the Federal Government
 - From Bench Top to Commercialization: Incentives and Barriers
 - University-Based Sustainability Programs
 - Meeting Business Goals with Green Chemistry - Success at Making It Greener
- 5) Canada-US Joint Workshop on Innovative Chemistry in Cleaner Media (5月) Montreal, Canada
- 6) Sustainability and Beyond (6月) Charlottesville, VA
- 7) 6th International Conference on Catalysis in Membrane Reactors (7月) Lahnstein, Germany
- 8) 13th International Congress on Catalysis (7月) Paris, France
- 9) ACS-PRF Summer School on Green Chemistry (7 - 8月) Pittsburgh, PA
- 10) 11th International Symposium on Supercritical Fluid Chromatography, Extraction and Processing (8月) Pittsburgh, PA
- 11) 228th ACS National Meeting (8月) Philadelphia, PA
グリーンケミストリー関係セッション ;
 - Green Chemistry and Engineering: From bench to pilot scale
 - Ionic Liquids in Organic Synthesis
 - Workshop on Green Chemistry for Graduate Students
 - Polymers from Biobased Feedstocks
 - Sustainability and the Chemical Industry

- 12) 7th Green Chemistry Summer School (9月) Venice, Italy
- 13) Profitable Sustainability: The Future of Business (9月) Seattle, WA
- 14) Green Solvents for Synthesis (10月) Bruchsal, Germany
- 15) Industrial Applications of Renewable Resources (10月) Chicago, Illinois
- 16) 2nd Annual EU Sustainable Chemicals Management Conference (10月) Brussels, Belgium
- 17) 6th Green Chemistry Conference (11月) Barcelona, Spain
スペインのグリーンケミストリー大会 ;
 - Green Chemistry in Industry
 - Green Chemistry Research & Development
 - Green Chemistry Research Policies (Panel)
